The Garden That Is Different

GOOD GARDENS are made only with strong, vigorous plants. These we offer at HILDEMERE. Advice as to selection and culture freely given.

I have a garden wherein I walk
When the dewy dusk and the roses talk
And there, as the swinging stars lean low,
I am healed of my hurts, and the whole world woe
Is far away from this holy place
Where beauty is kissing my raptured face.
EDGAR DANIEL KRAMER.
